

Lacanche

2019 COLLECTION

Discover a world of culinary creativity.

DÉCOUVREZ UN MONDE DE CRÉATIVITÉ CULINAIRE

Burgundy, France, home of the Lacanche.

Handcrafted in the heart of Burgundy, Lacanche French Ranges offer the highest expression of culinary art to both cooking enthusiast and professional chef alike. Blending exquisite French artistry with a long tradition of craftsmanship in metal, "Les Pianos Gastronomes" have fulfilled an unwavering caliber of culinary excellence for over 250 years. Unparalleled in its commitment to the spirit of French culture, Lacanche brings long-standing heritage to the home, and family back to the table.

Make a bold statement.

As a beloved focal point of your kitchen, a Lacanche exemplifies artistry, heritage and performance. While its aesthetics draw universal acclaim, the real reward lies in discovering its exceptional features. Durable porcelain enamel allows your "star of the kitchen" to shine, while a seamless, stainless steel cooktop provides easy cleaning. With 28 premium colors, five trim finishes (brass, chrome, nickel, brushed stainless and copper) and multiple rangetop configurations to choose from, you will be able to design the range of your dreams!

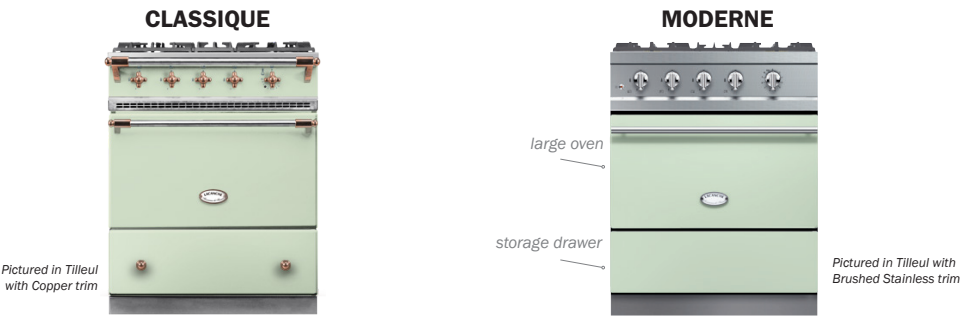

How to Custom Design Your Lacanche

- 1. Choose a model & trim style:** Classique or Moderne.
- 2. Choose a rangetop configuration:** Classique, Classique 4-Feux, Classique 6-Feux or Traditional
 - ▶ Classique 4-Feux is available on the Cormatin, Rully, Chassagne, Chambertin, Saulieu, Savigny, Sully, Fontenay and Citeaux models.
 - ▶ Classique 6-Feux is available on the Beaune and Bussy models.
- 3. Choose additional burners** - if space allows on your cooktop (see page 14 for options.)
- 4. Choose your oven configuration:**
 - ▶ Ovens can be gas or electric/electric convection* unless otherwise stated. If the model has two main ovens, you may choose one of each.
 - ▶ All models (excluding Cluny, Chagny, Beaune and Bussy ranges) with an electric oven will have a convertible electric convection oven. A toggle switch allows you to cook with either electric convection or regular static electric.
 - ▶ Petite and grande electric ovens (Chagny/Rully) are always static electric.
 - ▶ Gas ovens do not have broilers; all electric ovens do.
 - ▶ Warming cupboards are an electric heat source and range from 80-230° F.
- 5. Choose your details:**
 - ▶ **Color** - 28 premium finishes (see page 17.)
 - ▶ **Trim** - Classique line trim options: brass, chrome, brushed stainless, nickel or copper (see page 16.)
Moderne line trim options: Available in Brushed Stainless or Chrome only (see page 16.)
 - ▶ **Gas hook-up** - propane or natural gas.
- 6. Choose your shipping:**
 - ▶ **Air Freight** - 14-16 weeks from date of order to delivery.
 - ▶ **Sea Freight** - 6-6.5 months from date of order to delivery.

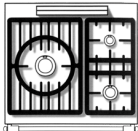

NOTE: Add up to 4 weeks lead time if ordering during August or end-of-year holiday season, as Lacanche factory is on break during that time.

*Convection option not advised for the standard ovens on the Cluny, Chagny, Beaune or Bussy models.

General Information

Underwriters Laboratories (UL) listing

All Lacanche models described in this resource are specially made for U.S. requirements and carry a UL listing for zero-clearance installation next to cabinetry. Lacanche ranges are approved for use in a residential installation.

Please check with local authorities for code compliance before installing a custom range, as codes and permits vary among states and municipalities.

Ordering Process

Lacanche ranges are handmade to your specifications by Burgundy artisans. This unique, old world manufacturing practice distinguishes Lacanche from other mass produced units. Because each stove is custom built, a 40% deposit is required at the time the order is placed.

Due to the custom nature of each order, deposits are non-refundable.

Customer may be liable for additional charges if changes are made after their order has been registered with the factory. The balance is due when the stove is released from the factory for shipment. Review sales order for exact details.

Shipping and Installation

Lacanche ranges are shipped directly from France. Shipping charges include: air freight or sea freight, crating, insurance, customs and lift gate delivery to your driveway. Installation should be handled by a local qualified professional.

Power and Fuel

This product will operate on 208–240 volts* (please refer to our technical pages for further information). Ranges are available in natural gas or liquid propane. High altitude installations may require special injectors. Please note high altitude requirements (5,000 feet and above) upon ordering. **For lower voltage needs, please call.*

Warranty

Art Culinaire believes in the function and performance of each Lacanche range. The service warranty supports the original user and guarantees that their range is free of manufacturing defects in materials and workmanship for a period of 3 years from the factory shipment date. Liability shall be limited to replacement of defective parts and corresponding labor required within the warranty period.

Service and Parts

Art Culinaire has an established National Service Network for Lacanche ranges. Most parts are stocked in one of our two U.S. warehouses and available to Lacanche owners by UPS or Fed Ex delivery. For service, installation or part inquiries, call us toll free at: 1.888.222.2930 or visit frenchranges.com/support.

Technical Questions

For any service questions or issues, please visit our technical support website at www.frenchranges.com/support where you will find user manuals, installation guides, videos and more. For additional questions, please contact our Service Department at 1.888.222.2930.

Lacanche Rangetop Options

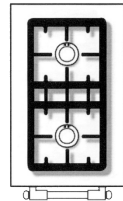

Lacanche's low-technology, high-performance approach reintroduces chefs to timeless culinary principles. Performance and diversity separate Lacanche from other "professional-style" ranges. The functional rangetop layout includes four different sizes of ultra-high and low-output gas burners, each designed for durability and ease of cleaning. Ranges featuring an 18,000 BTU burner are perfect for boiling, stir-frying and intense cooking needs. Side burners provide versatility and room for removable griddle, grill and simmering plates.

Multi Cooker
\$2,650

Induction
\$1,695

Flame Grill

The Flame Grill cooks evenly and quickly with radiant heat, retaining the flavors of meat, fish or seafood. 12,500 BTU output. Includes Charcoal Briquette Kit. Only for models with warming cupboard or storage cupboard.

Plancha

The Plancha is a chrome-plated steel surface for searing and cooking. It is ideal for vegetables, fish fillets or meats with short cook time and minimal use of oils.

Multi Cooker

Great as a steam cooker, waterbath for cooking pasta, boiling vegetables, or as a bain-marie. Accessories include: Extension Cover, Large Steam Basket & Pasta Baskets. Only for models with storage cupboard and fitted for water line.

Induction Rings

Powered via electromagnetic field, induction allows for rapid and precise heat adjustment. Requires ferromagnetic cookware (cast iron or magnetic stainless steel). Two cooking zones offered: 145 mm diameter (1400W-1800W) & 200 mm diameter (1850W-2500W). Verify cooktop compatibility at www.frenchranges.com/configure.

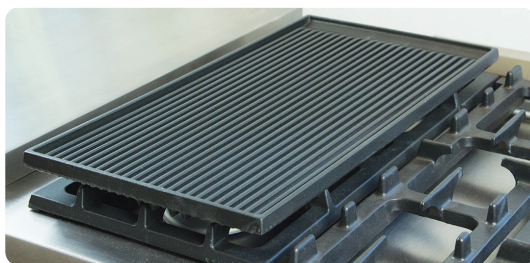

Optional Lacanche Accessories

Splatter Guard

The stainless steel "shield" protects surrounding surfaces from grease or hot oil splatter. The splatter guard is designed to fit the grill plate's outer edge.

\$150.

Grill Plate

The cast iron grill plate enables fish, meat and vegetables to be rapidly seared without fats or oils. 20" x 10 1/4" **\$300.**

Griddle Plate

This cast iron two-burner griddle plate is ideal for pancakes, French toast, and thicker cuts of meats. Built-in splatter guard, reservoir in front. 20"x 10 1/4" **\$300.**

Nordic Ware Cast Iron Diffuser

Single burner, cast iron diffuser disc. Use to assist with simmer. Made in USA. **\$25.**

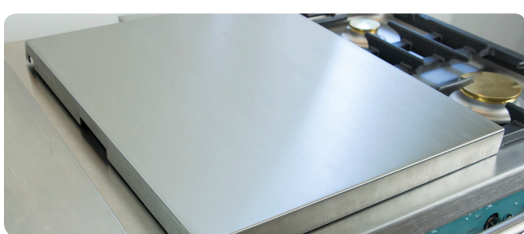

Black Burner Covers

Aesthetic covers for tarnished brass burner cap covers. May be used while burner is off or in use. Cost varies dependent on size.

5k BTU burner cover **\$28**, 11k BTU burner cover **\$30**.

15k BTU burner cover **\$31**, 18k BTU burner cover **\$33**.

Traditional Plate Cover

An attractive cover is available to protect your Traditional Plate while also providing a generous counter surface when the burner is not in use. This cover will also fit over a Classique burner. **\$200.**

Duparquet Copper Diffuser x Lacanche

Handcrafted, best-in-class, heirloom-quality copper. 8" diffuser spreads the heat quickly and evenly giving any pan the benefits of copper. Use to assist with ultralow simmer. **\$90.**

Large Reducing Trivet

The large reducing trivet bridges the gap between the Classique cooktop grates, allowing for the use of small to medium size pots on the 18k BTU burner. **\$100.**

Lacanche Trim Finishes
